Editor-in-Chief: Dr. Sayavur I. Bakhtiyarov
Professor,
New Mexico Institute of Mining and Technology,
Mexico, USA.

Call For Papers

Volume: 14 No: 3

i-manager Publications is a leading publishing house specialized in publishing Scientific, Technology, Education and Management Journals. The credibility and impact of these publications in the Indian economic and academic environment reinforced the founding vision of i-manager Publications: promoting technology education and present international research worldwide.

i-manager's Journal on Engineering and Technology provided a platform for the experts in this field to sketch their latest innovations on Engineering Design, Engineering Policy, Engineering Systems and Engineering Education etc. The ideas presented in i-manager's Journal on Future Engineering and Technology on such issues has enormously attracted the academia worldwide. Through our Journal on Future Engineering and Technology, we aim to make the youth familiar with the evolution of Engineering in the contemporary age by research findings and perspectives of international experts.

Why Publish with us?

- No Publishing Fee
- Abstracting & Indexing in leading databases
- Double-blind Peer Review
- Highly qualified Editorial Board
- Publishing Journals since 2004
- Maximum Publicity in Social media
- Rapid Publication: 2-3 months
- Full archive available from Volume 1 onwards

i-manager's Journal on

Future Engineering and Technology (JFET)

Overall Topics covered:

- Nano Mechanics
- Biosciences and Biotechnology
- Nanotools for Bioengineering
- Advances in Microtechnology
- Biomechanical Technology
- New Frontiers of Engineering
- Dynamic Systems and Infrastructure Management
- Automation and Vision Science
- Control Science and Engineering
- Robotics Science and Engineering
- Nuclear Engineering
- Environmental Protection
- Risk Assessment
- Radioactive Waste
- Radiation in Society
- Global Environmental Change
- Ecosystems Management
- Environmental Restoration
- Ecological Engineering
- Environmental Sustainability
- Solid Waste Management
- Water Treatment and Reclamation
- Natural Science and Technology
- Marine Science and Engineering
- Chemical, Environmental, and Process Engineering
- Integration of Life Sciences & Engineering
- Marine Engineering Systems & Equipment
- Atomic, Molecular and Optical Physics
- Luminescent Mechanisms and Dynamics

Features

Articles, Research Papers, Review Papers.

Periodicity

February-April, May-July, August-October, November-January

Target Audience

Academicians, practitioners and post-graduate students in the field of Future Engineering and Technology, University Educational Bodies, Researchers, etc.
