## ABOUT i-manager

i-manager Publications has made its marked milestone of a triumphant fifteen years in Academic Publishing and we publish 28 Journals of international repute. i-manager Publications has created a valuable database of international authors and peer reviewers for all its Journals, and production of each issue goes through lot of stringent measures to ensure very high quality to the readers. i-manager's Journals are listed in ERIC, ProQuest, EBSCO, CAS, Index Copernicus, Ulrich Directories, Cabell's Directories, Google Scholar, Indian Citation Index, World Cat, LearnTechLib, CiteFactor etc.

## Our Journals ADDRESS

Education practitioners in Academia  
 Professionals and authors with related interests  
 Trainers, Lecturers, Advisers and Consultants  
 Researchers in Scientific, Technology, Education and Management  
 Media talking and researching in Scientific, Technology, Education and Management areas

## HIGHLIGHTS of Our Journals

Offers a wide and clear approach to technological advancement and its applications in education.  
 Encourages discussion of wide and varying aspects that addresses the educational sector.  
 Supports continuing educational development fused with technological advancements.  
 Benefits the education practitioners from the researches conducted worldwide.

## WHY i-manager's Journals

No Publishing Fee  
 Abstracting and Indexing in leading databases  
 Double-blind peer review  
 Highly qualified editorial board  
 Publishing Journals since 2004

### Journal of Educational Technology (JET)

i-manager's Journal of Educational Technology has been satiating the reader's quest to sense the role of technology in education effectively, and puts forth the insight of international authors in education technology and bestows a global outlook to the readers. It renders the most modern trends and researches in Higher education to stay current with the new trends and thus to structure a vital and valuable academia. Prime motto of the Journal is to present quality and innovative ideas of educational researches and practitioners worldwide.

#### Editor-in-Chief

##### Dr. Brian Mathews

Professor, College of Education & Psychology,  
North Carolina State University, Raleigh, USA.

Volume: 15

### Journal on School Educational Technology (JSCH)

i-manager's Journal on School Educational Technology aim to induce the commitment of our educators in giving unparalleled education with quality and innovative ideas worldwide. i-manager's Journal on School Educational Technology reflects the most modern trends and researches in K-12 education to make the academic community stay current with the new trends. The ultimate goal of the Journal is breeding a dynamic, visionary and creative younger generation.

#### Editor-in-Chief

##### Dr. Sally Blake

Chair, William F. Blois Department of Elementary  
and Secondary Education, Flagler College, USA.

### Journal on Educational Psychology (JPSY)

i-manager's Journal on Educational Psychology delves into the intricacies of the creative mind with a core of useful resources and unfolds the different teaching learning processes and the varied interests of students in a psychological perspective. The Journal facilitates younger generation with scientific and cognitive insights and improves the overall quality of education. The attempts made to understand the theories of learning and the factors required for successful learning outcome provide the best ground for the researchers to explore the teaching and learning process psychologically.

#### Editor-in-Chief

##### Dr. Denise L. Winsor

Associate Professor, Department of Counseling,

### Journal on English Language Teaching (JELT)

English Language Teaching is globally vibrant and dynamic today. English as an international language accommodates the unique needs of world communities while competing with and complementing other languages. ELT improves language skills, oral communication, memorization of paradigms, patterns, and vocabulary, with translation being used to test the acquired knowledge. Practitioners and experts share new insights and experience in ELT.

### Journal on Future Engineering and Technology (JFET)

The vision behind i-manager's Journal on Future Engineering and Technology is to enrich the academia's insight on in-depth research in the field of Engineering. Through i-manager's Journal on Future Engineering and Technology, we aim to publish research findings and perspectives of international experts. The Journal highlights the many ways Engineering Technology influences modern education and aid readers in finding the far reaching impact of the Engineering genre.

#### Editor-in-Chief

##### Dr. Sayavur I. Bakhtiyarov

Professor, Department of Mechanical Engineering,  
New Mexico Institute of Mining and Technology,  
Mexico, USA.

### Journal on Electrical Engineering (JEE)

Technology has a major impact on the lives of people and the field of Electrical Engineering has its predominant role in our day to day life. The latest developments in the field of Electrical Engineering also help in faster technology innovations. i-manager's Journal on Electrical Engineering aims to reflect the most modern trends and researches to exhibit the latest developments in the field of Electrical engineering. Prime motto of the Journal is to present the inexorable role of Electrical engineering in the realm of Engineering Education.

#### Editor-in-Chief

##### Dr. Atif Iqbal

Associate Professor,  
Department of Electrical Engineering,  
Qatar University, Qatar.

### Journal on Software Engineering (JSE)

To be tuned with critical perspectives on the existing methods of Information Technology, to find answers to constant quest about the new dimensions of Artificial Intelligence, to explore new frontiers of computer science and to pave way to the domain of the virtual reality, i-manager's Journal on Software Engineering presents an earnest effort. The Journal is solely devoted to the illumination of IT based younger generation and through this Journal we intend to serve as a platform for the researchers.

#### Editor-in-Chief

##### Dr. Mohammad Alshraideh

Professor, General Registrar,  
Department of Computer Science,  
The University of Jordan, Jordan.

### Journal on Electronics Engineering (JELE)

Electronics Engineering has its wide-area to meet the innovative Electronics technology challenges of today and tomorrow. i-manager's Journal on Electronics Engineering aims to create an enthusiastic research interest in young minds to explore innovative technologies of tomorrow. The Journal on Electronics Engineering reflects the most modern trends and researches and aims to fortify the dynamic research community to solve the practical problems in the field with a focus on high quality papers from academia and practitioners.

#### Editor-in-Chief

##### Dr. S. Chandra Mohan Reddy

Associate Professor & Head, Department of Electronics & Communication Engineering, JNTUA College of Engineering (Autonomous), Pulivendula, India.

## Journal on Mechanical Engineering (JME)

Mechanical Engineering deals with the design, manufacturing and maintenance of mechanical systems and has continually evolved to incorporate advancements in technology. Mechanical engineers are producing safer, cheaper, and more efficient machines and mechanical systems. The Journal on Mechanical Engineering aims to provide an international forum for academicians, researchers, students, Mechanical Engineering Professionals, leading Corporate and Academic bodies to transfer knowledge in the main and emerging areas of the field.

### Editor-in-Chief

**Dr. Jeremy (Zheng) Li**

Associate Professor, University of Bridgeport, Connecticut, USA.

**ISSN Print:** 2230-9055 **ISSN Online:** 2249-0744

## Journal on Structural Engineering (JSTE)

i-manager's Journal on Structural Engineering provides a forum for a broad blend of scientific and technical papers to reflect the evolving needs of the structural engineering and structural mechanics communities. The Journal highlights and documents these recent advances, to allow for comparative studies of such advances, and to document future research needs in the field of structural engineering, with high quality papers from academia and practitioners in all areas pertaining to Structural Engineering.

### Editor-in-Chief

**Dr. Radhakrishna**

Secretary, Indian Concrete Institute, Bengaluru Centre and Professor & NSS Officer, Department of Civil Engineering, R V College of Engineering, Karnataka, India.

**ISSN Print:** 2278-7887 **ISSN Online:** 2320-2343

## Journal on Instrumentation & Control Engineering (JIC)

i-manager's Journal on Instrumentation & Control Engineering focuses on the principles and operations of measuring instruments that are used in design and configuration of automated systems in electronic, pneumatic, and hydraulic instrumentation systems. The aim of the Journal is to disseminate knowledge of the latest trends and developments in the field of industrial automation, by presenting high quality research articles that cater to the Academia.

### Editor-in-Chief

**Dr. Kary Thanapalan**

Lecturer in Aeronautical & Mechanical Engineering, Faculty of Computing Engineering and Science, University of South Wales, United Kingdom.

**ISSN Print:** 2321-113X **ISSN Online:** 2321-1148

**Volume: 6**

### Abstracting/Indexing

ProQuest Engineering Collection, Materials Science and Engineering Database, ProQuest Engineering Journals, Ulrich's Periodicals Directory, Indian Citation Index, World Cat.

## Journal on Information Technology (JIT)

i-manager's Journal on Information Technology provides a forum to the academics, professionals and advanced level students in IT for exchanging significant information, productive ideas associated with information technology and future prospects in the areas of contemporary information and communications technology. The Journal aims to publish high quality papers from academia and practitioners in all areas pertaining to Information Technology and disseminate Knowledge on the same.

### Editor-in-Chief

**Dr. Mohammed A. Abdala**

Assistant Professor,  
Networks Engineering Department,  
College of Information Engineering, Al-Nahrain University, Iraq.

**ISSN Print: 2277-5110 ISSN Online: 2277-5250**

### Abstracting/Indexing

**Volume: 7**

## Journal on Embedded Systems (JES)

i-manager's Journal on Embedded systems presents a field of engineering interconnected with Electrical, Electronics and Computer science and addresses the systematic design of embedded systems, focusing primarily on tools, methodologies and architectures for embedded systems, and architectures and design exploration, among others. The Journal aims to focus on high quality papers from academia and practitioners in all areas of embedded systems by ensuring its scientific priority and significance.

### Editor-in-Chief

**Dr. Sanjeevikumar Padmanaban**

Professor (Associate),  
Department Electrical & Electronics Engineering Science,  
University of Johannesburg, South Africa.

**ISSN Print: 2278-7895 ISSN Online: 2320-2335**

**Volume: 6**

### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, ProQuest Computer Science Journals, ProQuest Computer Science Collection, Ulrich's Periodicals Directory, Indian Citation Index, World Cat.

## Journal on Communication Engg & Systems (JCS)

i-manager's Journal on Communication Engineering and Systems presents a field of engineering which is interconnected with Electronics and Electrical fields with a collection of individual communication networks, transmission systems, relay stations, tributary stations, and data terminal equipments (DTE) usually capable of interoperating with each other. The Journal aims to focus on high quality papers from academia and practitioners in all areas of communications and systems by ensuring its scientific priority and significance.

### Editor-in-Chief

**Dr. Sufyan T. Faraj Al-Janabi**

Professor of Information Security,  
College of Computer Science and IT,  
University of Anbar, Ramadi, Iraq.

**Volume: 7**

## Journal on Digital Signal Processing (JDP)

Digital Signal Processing has enabled unprecedented levels of interpersonal communication and of information availability. It is a mathematically rigorous but accessible treatment of digital signal processing that intertwines basic theoretical techniques with hands-on laboratory instruction, and i-manager's Journal on Digital Signal Processing focuses on the broad areas of a variety of both digital and analog technologies, spanning a broad range of Applications, bandwidths, and realizations and welcomes scientific research on these areas.

### Editor-in-Chief

**Dr. Kim Ho Yeap**

Associate Professor, Department of Electronic Engineering,  
Faculty of Engineering and Green Technology,  
Universiti Tunku Abdul Rahman, Malaysia.

### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, Ulrich's Periodicals Directory, World Cat.

### Journal on Wireless Communication Networks (JWCN)

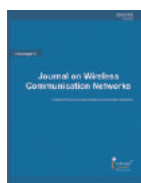

i-manager's Journal on Wireless Communication Networks will focus on networks extremely portable because of digital modulation, adaptive modulation, information compression, and access multiplexing. Wireless networks are generally implemented and administered using a transmission system and this implementation takes place at the physical level of the network structure. The Journal aims to focus on high quality papers from academia and practitioners in all areas of Wireless Communication Networks.

#### Editor-in-Chief

**Dr. M. Murugan**

Vice-Principal & Professor,  
Department of Electronics & Communication Engineering,  
Valliammai Engineering College, Tamil Nadu, India.

**Volume: 6**

### Journal on Computer Science (JCOM)

i-manager's Journal on Computer Science deals with all aspects of computer science and contributes theoretical results and offers a compilation of high quality articles to encompass a wide spectrum of advancements in the actively developed domain. i-manager's Journal on Computer Science intends to bring together the most recent advances and applications in all branches of the academic computer science community with new knowledge and technology for the benefit of students, professionals and industrial practitioners.

#### Editor-in-Chief

**Dr. Kamal Kumar Mehta**

Dean, School of Engineering, OP Jindal University,  
Chhattisgarh, India.

**ISSN Print: 2347-2227 ISSN Online: 2347-6141**

#### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, Ulrich's Periodicals Directory, Indian Citation Index, World Cat.

**Volume: 6**

### Journal on Circuits and Systems (JCIR)

i-manager's Journal on Circuits and Systems comprises all aspects of the theory and design of analog and digital circuits together with the application of the ideas and techniques of circuit theory in other fields of science and engineering. This Journal aims to make a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments to meet the needs of outlets for significant research papers and state-of-the-art review articles in the areas of circuits and systems.

#### Editor-in-Chief

**Dr. Rama Rao P.V.V**

Professor, Department of Electrical & Electronics  
Engineering, Sri Vasavi Engineering College,  
Andhra Pradesh, India.

**ISSN Print: 2321-7502 ISSN Online: 2322-035X**

**Volume: 6**

#### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, Ulrich's Periodicals Directory, World Cat.

### Journal on Cloud Computing (JCC)

Cloud Computing is one of the most significant transformation in information technology with many advantages to both companies and end users. Cloud Computing provides an opportunity to increase efficiency and reduce costs in the IT portion of the business, by offering the possibility of using systems with state of art computing capabilities, high availability and scalability. i-manager's Journal on Cloud Computing present an arena to the academics, professionals and high level engineering students in IT stream to undergo research on cloud computing.

#### Editor-in-Chief

**Dr. L. Venkateswara Reddy**

Professor, Department of Information Technology,  
Sree Vidyanikethan Engineering College (Autonomous),  
Andhra Pradesh, India.

**ISSN Print: 2349-6835 ISSN Online: 2350-1308**

**Volume: 5**

#### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, Ulrich's Periodicals Directory, EBSCO, World Cat.

### Journal on Power Systems Engineering (JPS)

i-manager's Journal on Power Systems brings out the latest research trends in the power sector that combines academia and industry alike. The objective of the Journal on Power Systems is to provide a forum for the exchange of scientific and technical information related to electric power systems, power systems monitoring, power electronics, high-voltage engineering and digital communication systems, that address researchers, Industrial Engineers, Lecturers and senior students in Electrical Engineering.

#### Editor-in-Chief

**Dr. V. Sankar**

Professor, Department of Electrical & Electronics Engineering, Jawaharlal Nehru Technological University, Anantapur, Andhra Pradesh, India.

**ISSN Print: 2321-7499 ISSN Online: 2322-0376**

#### Abstracting/Indexing

ProQuest Engineering Collection, Materials Science and Engineering Database, ProQuest Engineering Journals, Ulrich's Periodicals Directory, World Cat.

**Volume: 6**

### Journal on Image Processing (JIP)

i-manager's Journal on Image Processing equip the researchers, academics, professionals and high level engineering students to understand and manipulate the advance algorithms, with growing applications in all areas of business. Successful scientific applications of digital image processing require an intensive interdisciplinary cooperation between the application research area and basic research in image processing itself. The Journal provides a distinct knowledge on the research on Image Processing and its applications.

#### Editor-in-Chief

**Dr. Reddi Kiran Kumar**

Assistant Professor,  
Department of Computer Science and Engineering,  
Krishna University, Andhra Pradesh, India.

**ISSN Print: 2349-4530 ISSN Online: 2349-6827**

#### Abstracting/Indexing

ProQuest Advanced Technologies and Aerospace Journals, Advanced Technologies and Aerospace Database, ProQuest Advanced Technologies and Aerospace Collection, Ulrich's Periodicals Directory, EBSCO, World Cat.

### Journal on Material Science (JMS)

i-manager's Journal on Material science deals with the structure, properties and uses of materials. The Journal aims to focus on high quality papers from academia and practitioners in all areas of Material science by ensuring its scientific concern and magnitude and offering a common platform for researchers and students. i-manager's Journal on Material Science endeavors to be one of the leading source of primary communication for researchers investigating the structure and properties of all engineering materials.

#### Editor-in-Chief

**Dr. Chithirai Pon Selvan**

Program Chair - Engineering, Curtin University,  
Dubai, UAE.

### Journal on Mathematics (JMAT)

i-manager's Journal on Mathematics is an earnest effort to promote the application of Mathematics to Physical Problems and to understand their relationships. Mathematics involves planning, design, construction, quality assessment and control, and none of these would be possible without its application. The most fundamental reality emerges from mathematics, and mathematics lies at the center of all Physical sciences. The Journal aims to focus on high quality papers from academia and practitioners in all areas of Mathematics.
